

Here we are: Form 3i

**Dear friends in Spain, in France, in Northern Ireland
and in England!**

We are pupils at Europe School in Falkensee/Germany.

We are 7 and 8 years old.

Our teacher is Mrs Metscher. She is nice.

We are nice, too.

We often do school outings.

Look here: We were at a beautiful lake.

There are 19 children in Form 3i: 10 girls and 9 boys:

We have lots of hobbies: riding, playing football, karate, judo, drawing, painting and handicraft.

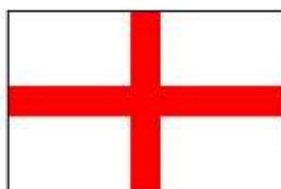

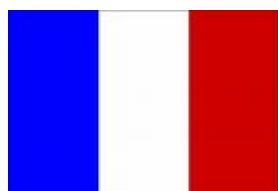

And some of us play instruments: the piano, the harp, the guitar.

We like learning foreign languages. And, of course, we like PE, Maths and Science and Religious Education (RE) as well.

This is our time table:
