

## Klasse 4a

In our class there are 25 children: 10 girls and 15 boys. Our Form teacher is Mrs Bauer.

Our favourite subjects are Mathematics and PE.

And all of us are keen on sports. Lots of children go to a sports club: and do handball, swimming, inlineskating, hip-hop, judo, karate or ice-skating.

Some of us play an instrument, e.g. the violin, the piano, the guitar, the drums, the flute and keyboard.

We are looking forward to get to know you.

This is our class room.
