

Europe School Falkensee

Here you see the pupils of class 4C. We are 27 pupils, 14 girls and 13 boys.

Our teacher is Mr. Kaiser. Since the third class he is our teacher.

Mr. Kaiser often works with us at the computers. Therefore we can do a lot of things alone.

We all get on very well and quarrel only seldom. All the boys like to play football with pleasure and the girls like to make different other things (riding horses, doing gymnastics).

Here is a photo of our class:
