

Hi !

We are the kids of class 5b of the Europe School in Falkensee.

We are 12 girls and 12 boys. Our teacher is Mrs Krege-Wolff.
We like to learn in our school. Our favourite subjects are German,
English, Maths, Art, Music and Sports.
We are between 9 and 12 years old.

Most of us like to do sports in our free time. We play handball and
football, go swimming, ride bikes and ride horses.
Many kids love music, too. Some of us play an instrument, e.g.
the flute, the French horn, the piano, the accordion, the violin,
the guitar and sing. So we took part in the festive ceremony for the
pupils of the first classes at the beginning of this school year. It was
a great pleasure for us.
