We are pupils at Europe School in Falkensee/Germany.

Our teacher is Mrs Kühn. She is nice.

There are 23 students in our Form: 12 girls and 11 boys:

We have lots of hobbies: riding, playing football, karate, judo, drawing, painting and gymnastics.

And some of us play instruments: the piano, the flute, the guitar.

We like learning English. Our favourite subjects are: PE, Maths, Biology and Religious Education.

We are looking forward to do the project with you.
